1. This report summarizes the work of the Audit Office for the month of June 1954 by types of activities. 25X1A2g

Proprietary Projects

2. Audit reports completed and released to Deputy Director (Administration), Deputy Director (Plans), and Comptroller on projects [REDACTED] 25X1A2g

3. Interim audit report of cover company of [REDACTED] for 10 months ended 30 April 1954 released to Commercial Division, DD/P. 25X1A2g

4. [REDACTED] 25X1A2g

5. Agency records reviewed on 31 new projects that had not been audited (projects initiated during past year and those in which no funds had been invested as of 31 December 1953) to determine present financial status and necessity for current audit. Status is shown in following table:

<u>Status</u>	<u>No. of Projects</u>
No funds invested	9
Funds invested less than 6 months	11
Funds invested over 6 months	11
Total	<u>31</u>

Work performed on the 11 projects with funds invested over 6 months actually constituted audits of those projects to the extent that available documentation permitted. Additional data requested where necessary.

6. Other work on projects: 25X1A2g

[REDACTED] - Desk audit in process based on available records. 25X1A2g

[REDACTED] - Desk audit based on field records completed through 30 June 1953 (to be audited in field subsequently). 25X1A2g

[REDACTED] - Reviewed MAC report of audit with one of agents in attempt to clear up discrepancies. 25X1A2g

[REDACTED] - Audit completed as far as possible pending 30 June 1954 closing of books. 25X1A2g

[REDACTED] - Audit in process through 31 March 1954 when cover office closed.

CONFIDENTIAL
